Please note that:

- The USBC does not accept donations or other resources from entities in violation of *The International Code of Marketing of Breast-milk Substitutes* and/or subsequent World Health Assembly resolutions. The USBC will use reports of IBFAN-ICDC to guide these decisions.
- The USBC strives to be a socially responsible organization. To this end, the USBC may choose not to accept contributions from certain organizations, and retains the right to refuse any donation.
- Donations do not entitle the donor to participate in determining USBC policy, procedures, or positions on issues addressed by the USBC on the basis of that support.
- Acceptance of support does not constitute endorsement of the products, services, or mission of the donor by the USBC or its member organizations.
- Donor organizations may not use the USBC name or logo without express written permission of the USBC.
